

# April-June 2019 Culinary Workshop Schedule

Whether you're a novice in the kitchen or a master of the culinary arts, you'll be sure to enjoy every moment of your Culinary Workshop class experience. Classes are always held right in your local ShopRite and hosted by professional chefs and dietitians. Each session is fully hands-on, completely delicious, and always fun and lively. You can be sure that every item on our menu has been chosen with care by our ShopRite health and wellness team, designed to inspire you, delight you, and encourage you to enjoy the rich bounty of the season.

And our classes aren't just for grown-ups! Check out all the great workshops we've whipped up for our youngest chefs-in-training – we know they love to cook almost as much as we do.

**To register, just stop in at your local ShopRite Courtesy Counter to let them know you're ready to start your cooking adventure.**
